

**ORAN PARK**

# Welcome to Dawson Damer Park

The heart of fun for everyone

**Dawson Damer Park is a fantastic, splashy addition to Oran Park!**

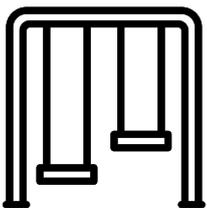

Promising joy and adventure for everyone, this award-winning park has a range of exciting features like:

A water playground

Picnic areas

Play equipment

Exercise facilities

**Keep your cool in the Macarthur region's largest water play space.**

When that mercury rises over summer, you can cool down at one of the park's 30 water features. Catering to all ages and abilities, the park has a junior and youth play space which includes:

- A half basketball court
- Dual flying fox
- Trampolines
- Slides
- A Ninja Warrior Course - the first of its kind in Camden

**Celebrate with your family and friends as you make memories to last a lifetime.**

If you want to make a day of it, pack some snacks and gather your family and friends for a relaxing picnic.

We've got you covered with plenty of BBQ facilities and ample sheltered seating scattered throughout the park. It's also a great spot to keep an eye on the children while they enjoy the water activities nearby.

Dawson Damer Park is perfect for:

- Long, lazy summer days
- Family celebrations
- Communal gatherings

When we say, 'fun for everyone', we mean it.

Dawson Damer Park is an all-inclusive, accessible recreational facility – because everyone deserves to enjoy the freedom and fun on a sunny day in the Park.

Those balmy summer days will be a breeze with:

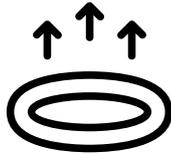

Accessible parking

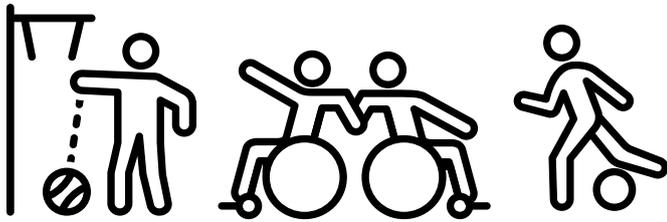

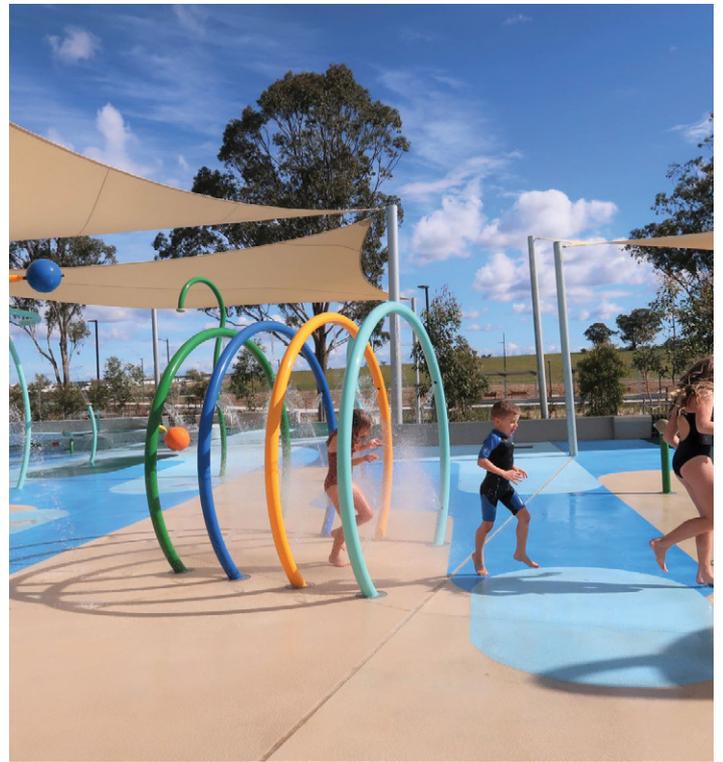

Wide footpaths

Accessible carousel

Wheelchair trampolines

Universally designed play equipment

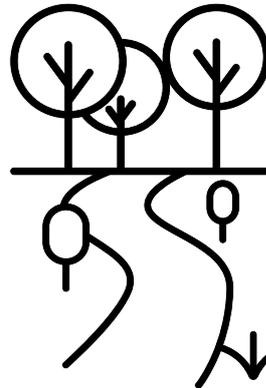

You'll even find wet wheelchair access in the water play space and a convenient *Changing Places* changeroom with ambulant toilet facilities.

**Dawson Damer Park is an award-winning, multi-million-dollar play space with 30 exciting water features specially designed for all abilities and ages!**

### It's easy being green at the Park.

Dawson Damer Park is here to stay, which is why Oran Park committed to a design that included environmentally sustainable design features wherever possible, with:

The existing tree canopy preserved

45,000 tubes and shrubs and over 350 trees planted

A rejuvenated riparian corridor as part of our walking path network

Behind the 'splashy scenes', the park has both a water quality basin for stormwater treatment and a water recycling system. This allows most of the water our guests splash around in to be recycled by two 30,000-litre underground tanks, meeting our environmental and sustainability targets.

A beautiful and unique example of environmentally-sound facilities delivered with a big dose of fun, Dawson Damer Park sets the standard for innovation in forward thinking, planning, consultation, design and build quality.

So, if you're looking for a day of unforgettable fun where everyone's included, don't miss Dawson Damer Park.
