

ORAN PARK

Doohan Reserve

A well known, local favourite, Doohan Reserve is one of Oran Park's largest parks featuring four regular sportsfields and two ovals.

A key element of the community's masterplan, Doohan Reserve is made up of 10.4 hectares and was developed to meet the recreational and sporting needs of our diverse community.

In recent years, there's also been a growing need for local sporting groups to have a home ground. And with Oran Park's population growing rapidly, more and more residents have been looking to join local sporting teams.

One of the town's most popular parklands, Doohan Reserve caters to people of all ages and abilities. The spacious grounds include:

- A playground
- Modern clubhouse
- Four regular sportsfields
- Two ovals for cricket, AFL and soccer
- Three synthetic cricket pitches
- Eight tennis courts
- Multi-use basketball and netball courts

The Reserve also features shelters and picnic facilities, a kiosk, shared pathways, seating areas and an on-site carpark for xx cars.

Named after Australia's motorcycle world champion, Mick Doohan

Located on Skaife Street in Oran Park, The Reserve design reflects the park's namesake as well as the area's farming history. The attention to detail extends to the farm-themed playground and racing motifs. From random 'cow patterns' to 'Mick Doohan's wheels', the unique design has made the Reserve a popular attraction for Oran Park's younger residents.

A contemporary two-storey amenities building

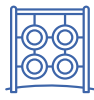

Located between the two sportsfields on the halfway lines, the Reserve's two-storey amenities building consists of change rooms, toilets, storerooms and a contemporary club house.

Tiered seating that overlooks the main lower oval as well as access ramps connects the facilities between the upper and lower ovals which makes it easy to access the building from both ovals.
