

ORAN PARK

Julia Reserve Youth Precinct

The Julia Reserve Youth Precinct provides 2.5 hectares of diverse recreational, social and leisure opportunities where people can play, explore and learn.

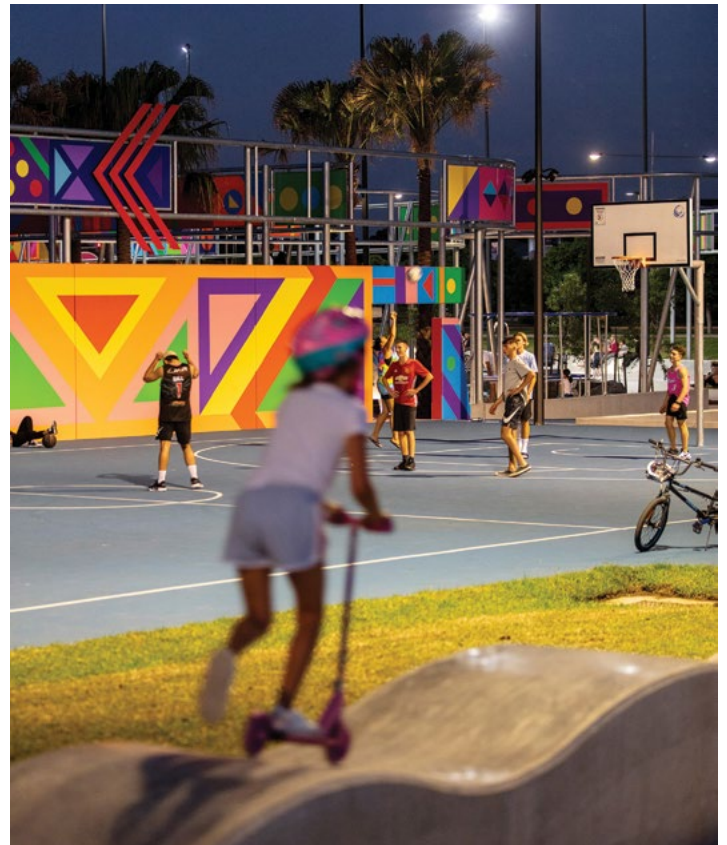

Supported by Camden Council, the Precinct includes two major facilities; a Skate Park and Youth and Recreation building that combine to create an active vibrant place.

Julia Reserve has a mix of facilities and features including:

- Skate park
- Basketball courts
- Amphitheatre
- Table tennis
- Multi-use courts
- A parkour area
- Open space kick-about areas
- Shelter structures

The Precinct also hosts a large informal lawn, wide pedestrian pathways and picnic facilities.

Consultation with the community - including local schools, Camden Council and the Local Area Command (NSW Police) - informed the facility's design process which has created a sense of ownership and stewardship with local youth.

The Youth and Recreation building has been developed with a focus on the performing arts. It includes:

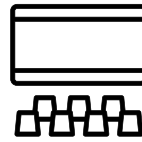

A youth activity room

with associated breakout areas

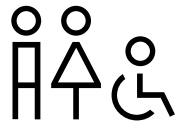

A cultural activity room

with an auditorium

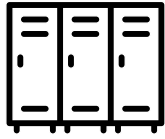

Amenities

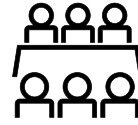

including a commercial kitchen

Locker rooms

Meeting rooms

Two offices

Julia Reserve Youth Precinct sets the standard for innovation in planning, consultation, design and build quality for community places.

Demonstrating the positive outcomes of collaboration, the Precinct was awarded the National Landscape Architecture Award from the Australian Institute of Landscape Architects in 2020.
